

On the occasion of the World Environment Day 2010,
the **Swiss Business Council** and the **Swiss Business Hub GCC**
are delighted to invite you to a high-profile event:

Swiss Environment Initiative Launch Party

The Swiss organizations in the UAE will present to you the newly
created **Swiss Environment Initiative**. This initiative is a joint effort
by the entire Swiss community in the UAE.

We need your support! Your attendance is valuable and important in
making this initiative a success!

The presentation is followed by the prize-giving ceremony for the
most successful SBC member at this year's Can Collection Drive.
